

Anh H : This lesson consisted mainly of dictation and reading. Bonus sheet Anh H gave out will be linked to once he shares it with me.

Anh Văn: [More 800 words](#) . We introduced 20 words today. Can you learn them by next week and correctly connect them to their English meanings? 1 Hour each day, and you should be able to.

Anh B o: Using the sheet you were given ([download it here](#)) listen and try to fill in the missing words are the first paragraphas are read, you can download the recording you need [from here](#)

You can also access all the audio materials from here: <http://sites.google.com/a/ispeakviet.com/audio/recordings>

Anh Văn: More ULG. This time, we're starting to make up a 'good news/bad news' story. Makes sure you have your story prepared for class next week. [Download the material here](#) .
