

### **Lesson 1**

Revision of the Alphabet and more practice of spelling

### **Lesson 2**

Reading comprehension. Again the class divided into 3 groups and the instructors read to them. The students again had to see how much they could understand.

### **Lesson 3**

Practicing field service presentations.

### **Lesson 4**

Practicing reading the truth tract. The class then received [3 new stories](#) . One story was made up entirely of words beginning with N, Nh, Ng and Ngh. The second story was to help with practicing the pronunciation of CH and the last story was for practicing words that start with C.

### **Lesson 5**

Class time for final assignments

### **Lesson 6**

More time for practicing field service presentations, this time 2 students demonstrated their presentations. Clare showed us how to start a door step study and Helen showed us how to conduct a study.

### **CO's talk**

This was a quick farewell and congrats on completion of the Language class given by Les Simmons.

### **Homework**

No homework this week as it is exactly the same as last week's homework. The class received the last chapter, [Chapter 8 of the narrative](#) .

Technically this was our last week of lessons, next week it's all over to the students for their final assignments!
