

Anh B o started by explaining why the instructors will be “orchestrating” the class & how each of the students will have a share in teaching fellow students.

Anh B o introduced a new student to the class.

Lesson 1 – Anh Long taught tones & sounds using combinations of one & two letters with different tones.

The class was then split into two smaller groups & practised tones & sounds with anh Long & anh B o.

Lesson 2 – Anh B o taught basic conversation using the communicative approach.

Anh B o & anh Long followed by anh B o & ch  Lee demonstrated how we should greet others.

Everyone then stood up & practised greeting others, asking them how they are & what they did

today. The students wrote the answers they were given on their sheets.

Homework - students were asked to learn the names of the tones by next week.

Lesson 3 – Anh Long taught tones & sounds using combinations of two & three letters with không đ̣ u & đ̣ u ṣ c. The class was then split into two smaller groups & practised tones & sounds with anh Ḅ o & anh Long.

Lesson 4 – Anh Ḅ o taught numbers 1 – 10 using flashcards. It was then time for some fun with balloons! Students split up into pairs & practised counting while hitting the balloon to their partner.

Homework – Students were asked to take balloons home & learn numbers 1 – 10 by next week.

Lesson 5 – Anh Long taught Tones & Sounds using combinations of 4 letters & không đ̣ u & đ̣ u ṣ c.

Lesson 6 – Anh B o taught a [basic field service presentation](#) , using the backwards build up drill method.

The students were given a handout & then split up into pairs & practised their presentations. Students were encouraged to use the presentation in the ministry this afternoon.

[Homework sheet](#) was given out.

[Phoneme Chart](#) was given out to help with some of the Vietnamese sounds that do correspond with English ones.
