

**Lesson 1** - Anh Long taught tones & sounds: ê, em ( [worksheet - week 4 tones & sounds](#) )

**Lesson 2** – Anh Bô o taught how to ask questions using Universal Language Generation ( [work sheet - week 4 universal language generation](#) )

The students then wrote some of their own questions using Universal Language Generation, some students took turns asking the class questions, the other students translated the questions.

**Lesson 3** - Anh Bô o revised numbers already learnt. The class split into smaller groups & took turns testing each other. This will be the last lesson on numbers, students were encouraged to continue learning & practising numbers. ( [worksheet - week 4 numbers](#) )

**Lesson 4** – Anh Long taught tones & sounds: ét, t, ép, p. ( [worksheet - week 4 tones & sounds](#) )

**Lesson 5** – Anh David revised Bible books using flash cards & taught the words for "chapter" & "verse", then it was time to practise with balloons :o) This will be the last lesson on Bible books, students were encouraged to continue learning & practising Bible books. We have the following site setup to help you learn these now: <http://quizlet.com/2546541/books-of-the-bible-flash-cards/> . Don't forget we also have audio of all books of the bible: <http://db.tt/6mQSoO>

**Lesson 6** – Anh Bô o taught Communicative Approach, class then split into pairs & practised asking questions & answering. ( [worksheet - week 4 communicative approach](#) ) Students should fill this sheet by asking these questions to as many people as possible.

**Lesson 7** - Anh Bô o & anh David added to field service presentations already learnt. ( [worksheet - week 4 field service presentation](#) )

)

[Homework sheet](#) was given out.
