

Week 2 Summary

Each student demonstrated homework they were assigned to present in class. Everyone did a great job with their assigned homework!! Anh Quang Linh spoke about the importance of TONES and the need to exaggerate the tones when practicing at home.

Anh Loc helped the students learn numbers above 10. He also practiced bible books in the Greek scriptures.

Anh Long introduced learning theocratic words. 5 words in 5 minutes. After that he taught the students the months of the year and days of the week.

Anh Vinh taught the students more questions they can use when enjoying a conversation with other person. The class then practiced these questions on each other.

A real highlight of the lesson this week was a talk on vietnamese history, culture & religion by Anh Ho Dang from Greenfield Park Vietnamese congregation. Anh Ho encouraged the students to keep up their good work learning vietnamese and keep relying on Jehovah for help learning & speaking Vietnamese.

All the students want anh Ho to come back for another talk about vietnamese culture!!

Anh Quang Linh assigned homework for each student to present in class next week.
